

VOTE BEERBEARD

Hospitality Ridarr

It would be very much appreciated if the venue could provide the following:

- A truss for the backdrop (2m high x 3m wide)
- A drumriser of at least 2x2m at around 40cm high
- A table for the merchstand
- A dressing room
- 6 small bottles of flat water on the stage
- 1 meal for 8 people (band + FoH engineer + merchlady/photographer)
- A bottle of brown rum

In turn we will provide the venue with:

- A FoH soundengineer
- Enough songs about drinks to keep people thirsty
- A Proper Pirate Party
